

BATTERY SPECIFICATION SHEET

BATTERY TYPE: **N200M**
MARINE RANGE

Nominal Overall Dimensions (mm)

Length: 525
Width: 276
Height: 243

Voltage

12

Warranty (Months)*

12

** Warranty applies for use in Australia only.*

General Specifications

Carry handles
Glass mat separator
Platelock construction
Low maintenance

Wet Weight (Kg)

54.03

Reserve Capacity (Minutes)

400

Cranking Performance (CCA's)

1120

Terminal

Standard terminal post

Battery Assembly
