

## BATTERY SPECIFICATION SHEET

BATTERY TYPE: **N70ZM**  
MARINE RANGE

### Nominal Overall Dimensions (mm)

Length: 305  
Width 172  
Height 230

### Voltage

12

### Warranty (Months)\*

12

*\* Warranty applies for use in Australia only.*

### General Specifications

Carry handles  
Glass mat separator  
Platelock construction  
Low maintenance

### Wet Weight (Kg)

24.17

### Reserve Capacity (Minutes)

135

### Cranking Performance (CCA's)

600

### Terminal

Dual fit terminal post

### Battery Assembly
